Accurate resistance for medium sized production vineyards

**Standard lengths (mm): 2200 and 2000.**  
The desired length can be produced on demand.

## GENERAL SPECIFICATIONS:

Our posts have mix notches (parallel above and alternate below) for greater versatility and resistance.

If it's required we produce different types of notches: parallel, alternate, central drill, horizontal notches (H), automatic revail (RA) or a combination of some of them.
